

KING CREEK LOOP

VIEWS OF THE SEVIER RIVER

1 Hour Ride • 20.1 Miles Long • 19 MPH Average Speed
Designed for both ATVs and UTVs

King Creek Loop starts at Tropic Reservoir Trailhead at the northwest end of Tropic Reservoir. From the trailhead, ride south along the west shoreline road (091). At the south end of Tropic Reservoir, turn right (west) and follow Badger Creek (109) to the signed Blue Fly turnoff (110). Turn onto Blue Fly and follow 110 along the Left Fork of Blue Fly Creek. It joins 100 for a short length, then turns south onto 091, passes Mill Hollow and returns to Tropic Reservoir Trailhead. The route is approximately 20.1 miles and takes about 1 hour to complete, if traveling at about 20 MPH.

Along this loop you will be able to see the Sevier River, which parallels US89, and the East Fork of the Sevier River. This route is designed for both ATVs and UTVs.
